This case is closely related to a case that is currently before Judge Amy Totenberg of this Court: *Jarrold Johnson v. 3M Company, et al.*, Civil Action No. 4:20-cv-0008-AT (the “Johnson case”). This case involves the same facts, many of the same witnesses, the same parties, the same attorneys, and the same argument that any discharges of substance were intentional as a part of the normal business operations of the Dalton-Whitfield Regional Solid Waste Management Authority. Judge Totenberg has extensive knowledge of the facts, issues, and legal arguments. Based on Judge Totenberg’s familiarity with the facts, legal issues, and the parties,

Plaintiff respectfully requests that this case be reassigned to Judge Totenberg based on principles of judicial economy and efficiency.

This 4th day of March, 2022.

Respectfully submitted,

HAWKINS PARNELL & YOUNG LLP
